Independent Auditor's Report

TO: THE BOARD OF TRUSTEES
MONMOUTH COUNTY SOCIETY FOR THE
PREVENTION OF CRUELTY TO ANIMALS
EATONTOWN, NEW JERSEY

I have audited the accompanying financial statements of the Monmouth County Society for the Prevention of Cruelty to Animals (a not-for-profit organization) which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves examining performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Monmouth County Society for the Prevention of Cruelty to Animals as of December 31, 2013 and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

MONMOUTH COUNTY SOCIETY FOR THE
PREVENTION OF CRUELTY TO ANIMALS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

Note 1 - Summary of Significant Accounting Policies -

General - The Society is a not-for-profit organization which provides shelter and care for animals, humane law enforcement, informational services to the community regarding animal care, a clinic that spays and neuters animals as well as providing other care.

Contributions - Unconditional promises to give are recognized as revenue when the underlying promises are received by the Organization. If there is no unconditional promise, the contribution is recognized when received. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributed Services - During the year ended December 31, 2013 the value of contributed services meeting the requirements for recognition in the financial statements totaled \$50,044. Of this amount, contributed veterinary technician services were \$38,508 and contributed accounting services were \$11,536. No amounts have been reflected in the financial statements for other contributed services; however, a substantial number of volunteers have donated significant amounts of their time in relation to the Organization's program services and other activities.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Program Fees and Accounts Receivable - The Organization charges fees for adoption, shelter, medical services, and animal supplies. The revenue is billed, collected and recognized when the service is rendered. The Organization has animal housing contracts with various towns in Monmouth County which are billed monthly. The Organization carries its accounts receivable at cost with no allowance for credit losses at December 31, 2013. On a periodic basis, the Organization evaluates its accounts receivable and, if necessary, establishes an allowance for credit losses.

Property and Equipment - Property and equipment are carried at cost. Depreciation is computed using the straight line and accelerated methods based on their estimated useful lives. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense, as incurred. Depreciation for the year was \$261,057.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

PREVENTION OF CRUELTY TO ANIMALS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

Note 1 - (continued)

Advertising - All advertising costs are expensed in the period they are incurred.

Income Taxes - The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Organization evaluates its uncertain tax positions and accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and management judgment with respect to the likely outcome of each uncertain tax position. The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. As of December 31, 2013, the Organization recognized no liability on uncertain tax positions.

Investments - The Organization's investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Fair Value - The Organization has a number of financial instruments, none of which are held for trading purposes. The Organization estimates that the fair value of all financial instruments at December 31, 2013 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position. The estimated fair value amounts have been determined by the Organization using available market information and appropriate valuation methodologies. Marketable equity securities are valued at quoted prices in active markets for identical assets (Level I) and marketable debt securities are valued at significant other observable inputs (Level II). Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and, accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

The Organization, through Merrill Lynch, sells options on stocks that they own.

The rate was based on the weekly average yield on US Treasury Bonds adjusted to a constant maturity of ten years, plus 200 basis points (2.00%). The rate has a floor of 5.5%. The interest rate adjusts every five years after the initial ten years of the loan term. Monthly principal and interest payments are based on a twenty-three year amortization schedule. The note was due November 2028. The mortgage note with Valley National Bank was paid off in March 2014, after the Organization completed a refinancing as detailed in Note 13.
